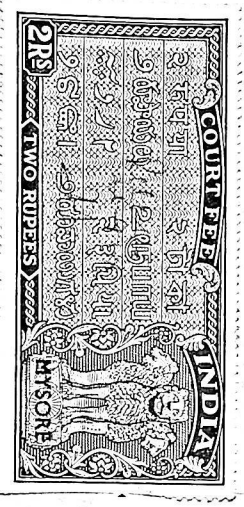
Re: Grant of Forest Lands for
Agricutural Purposes ..
Forest Survey No.88 in Adanalli,
-do- No.68 in Ullal,
(in Sirsi Taluka.
North Kanara Dist.)
.....



We, the undersigned applicants, V.L.Nayak and M.P.Pandit, wish to place before you the following facts for your information and favourable considerations.

We hold no lands. The first named above, V.L.Nayak, has 8 members in his family and the second named above M.P.Pandit, has 13 members in his family. The earnings are not sufficient for maintenance of the family. Now, we desire to undertake to cultivation for better returns, if land for agricultural purpose is made available to us. We learn that Forest Survey No.88 in Adanalli village, in Sirsi Taluka, and Forest Survey No.68 in Ullal Village, in Sirsi Taluka, are suitable and fit for cultivation of paddy and other foodgrains and for growing Cocoanut trees etc., The areas mentioned above are level lands and are surrounded on both sides by cultivated ~~lands~~ lands. Water supply for cultivation is available all the year. The area is very much suitable for growing paddy and other foodgrains and for growing cocoanut trees also.

Min. of St. Forests,
No. Date.
MFP(NK) 34/68.

Hence we request that you may be pleased to grant us the firstnamed V.L.Nayak 6 to 7 acres land in Forest Survey No. 88 of Adanalli village in Sirsi Taluka and 6 to 7 acres of land in Forest Survey No. 68 of Ullal village in Sirsi Taluka to the secondnamed M.P.Pandit, for cultivation of paddy and other foodgrains and for growing cocoanut trees and other agricultural purposes, and to enable us to eke out our livelihood honourably in these hard days of the struggle for existence, for which act of kindess, we remain ever grateful to you. We wish to submit that without recourse to agricultural farming and grant of the abovesaid lands thereto, it will be very hard for us to maintain our family.

1173
AFD 5969 FB68
11-10-68

We learn that the State Government has decided to grant 1,00,000 acres of forest land for agricultural purposes in this district, and that a high power committee has been formed for the purpose. We wish to submit that the abovesaid area requested for i.e. 6/7 acres in F.S.No.88 in Adanalli and 6/7 acres ~~(in F.S.68)~~ in F.S.No.68 in Ullal village may be kindly granted to V.L.Nayak and M.P.Pandit respectively, individually on merit, directly by you, instead of through the Committee, as early as possible, for if the allotment is made through the Committee, it may take 4/5 years to get possession of the land and start cultivation. Hence our request for consideration and grant of lands individually to us on merits, so that it will be possible for getting the land in possession and start cultivation much earlier, in a year or so. We hope that our request will receive your most favourable consideration and that the area prayed for i.e. 6/7 acres land in F.S.88 in Adanalli village and 6/7 acres of land in F.S.No.68 in Ullal Village will be granted directly, individually, to V.L.Nayak and M.P.Pandit respectively and that the fact may be kindly intimated to the said Committee for including the said grant in the target of

NO.FOP/GFL/LND/417 of 1968/69.

To,

The Chief Conservator of Forests,

Ref:-Your No.B3-GFL/1090/68-69 dt.8-10-1968.

The land grant case of Shriyuts V.L.Nayak and M.P.Pandit of Sirsi is submitted herewith(Pages 1 to 28).

In this case, the applicants request for grant of the following areas in Adnalli and Ullal villages in Sirsi Taluka for cultivation.

Taluka	Village.	F.Sy.No.	The extent of area applied for.
Sirsi	Adnalli	88	9-0-0
	Ullal	68	3-0-0
		Total :-	12-0-0

On enquiry, it is revealed that the area applied for falls in the Reserved Forest Classed as Proper Forest and it contains trees like Matti, Kindal, Neral,Mango,Chelle, Kaval etc. to the extent of about 20 per acre. 50% of the trees yield timber and the rest yield pole size material and firewood. The area in question is low lying with good water facilities and it is suitable for cultivation. It can be seen from the sketches embodied in the case that this area is inbetween two cultivated areas and its release will form a compact block of cultivations. Since this area requested for by the applicant is adjacent to the existing cultivation, its release is covered by the provisions of the G.O.No.AFD.6.MRP.58 dated 19-5-1968.

In view of the above reasons, there is no objection to release an area of 12-0-0 acres out of F.S.Nos. 88 of Adnalli and 68 of Ullal in favour of the applicants.

The petition received under your above reference is resubmitted herewith.
